

Attention Catskill WoodNet members!!!!

Looking for a FREE opportunity to have your products sold for you in New York City?

Catskill WoodNet has been invited to have a booth at the New Amsterdam Market (NAM), a weekly venue located at the Fulton Fish Market in New York City. This upscale market draws thousands of visitors every week.

And WoodNet wants YOU to get a piece of the action!

We are looking for THREE Catskill WoodNet members interested in providing some of their products to sell at the NAM when we attend on **December 5th, 2010**. All proceeds from the sale will be given to the WoodNet members providing the items. Any unsold items will be returned to the member who provided them.

We are interested in items that fit the following criteria:

1. Items must be small enough to be carried
2. Items must cost under \$150 (cheaper is better)
3. Sales tax must be included in item price
4. All wood used in making the items must be local (originating from the Catskill region)
5. All work to produce the item must have been done “in-house”

Ideal examples of items we would like to sell include bowls, cutting boards, utensils and candlesticks.

Don't have an item that fits? Not to worry! Our booth will also have a table for give-away items. We are happy to include a business card or brochure for your company to include on this table.

Interested in providing items, business cards or brochures for this event? To contribute, or if you have questions about this opportunity, please contact:
