

**Option 2: Trout in the Classroom Trout Release & Reservoir Tour**

# Ward Pound Ridge Reservation

**Programming:**

Trout Unlimited and WAC educators lead customized forestry, water quality and watershed activities **FREE OF CHARGE** that highlight the connection between healthy forests, trout habitat and clean drinking water.

Your only expense for a Trout in the Classroom bus tour is the cost of transportation to the Cross River Reservoir Dam and Ward Pound Ridge Reservation.

**Bus Rates:**

Bus costs will vary depending on the type of bus (yellow school bus or coach), distance traveled and time of year.\*

- For high school groups traveling less than 2 hours, consider hiring a yellow school bus: \$500-1000/bus.
- For elementary and middle school groups traveling 1.5 hours or more, consider hiring a coach bus: \$1000-1500/bus.

**Contact Tyler Van Fleet from WAC at [education@nycwatershed.org](mailto:education@nycwatershed.org) or 914-962-6355 x21 or Lilli Genovesi from TIC at [lillit.genovesi@tu.org](mailto:lillit.genovesi@tu.org) or 917-832-0857 to discuss your trip.**

**Sample Itinerary**

TIME	ACTIVITY	ADDRESS/NOTES
7:00am	Depart school: On-time departure is critical for trip success!	***text WAC with departure time and final head count
9:00am	Arrive Cross River Reservoir Dam	Reservoir Road, Katonah, NY 10536 (no street number, drive 0.5 miles up the dirt road until see reservoir on left)
9:00-9:30am	Cross River Reservoir Dam tour	Walk across the 840 ft long dam to an observation deck overlooking the spillway. Learn about the construction, function and ecology of the dam and reservoir from a WAC educator.
9:30-9:45am	Drive to Ward Pound Ridge	6 Reservation Rd, Pound Ridge, NY 10576
9:45-10:00am	Unload, introduction, bathrooms	
10:00-10:45am	Trout release	
A. 10:45-11:20am B. 11:20-11:55am	STATIONS: Small groups rotate through: 1. Macro-invertebrates investigation 2. Forest Discovery Activity	1. Trout Unlimited volunteers lead students in discovery and identification of macro-invertebrates - the animals your trout will now eat in the river. 2. Will customize activities to fit your interests (e.g. sensory games, forest succession, tree ID, etc.)
<b>11:55am-12:35pm</b>	<b>LUNCH</b>	
C. 12:35-1:10pm D. 1:10-1:45pm	STATIONS: Small groups rotate through: 3. Engineering a Forest Filter 4. Forest hike	3. Measure the turbidity, or cloudiness, of a water sample, then engineer filters using natural forest materials to clean the water. Measure the turbidity again to evaluate filter function. 4. Hike along streams, through woods and fields to discover different habitats of the NYC Watershed.
1:45-2:00pm	Wash up, bathrooms, load buses	
2:00-4:30pm	Depart & drive back to school	

\*Bus rates shown here are approximate and are for guidance only.
