Standards of Usage
Color Palette | The Mono Palette

On some occasions, a 1-color logo may be preferable or required. Example applications are a 1-color newsletter that would be printed, vinyl outdoor banners, 25% version on clear decal material or silk screened on glass.
Font Usage | Logos
Fonts used in all logos are:

ITC Cheltenham Light
Univers 57 Condensed
Font Usage | Headlines | Serif

Below is a list of preferred serif headline and subhead font options.

Examples are shown in 28pts, however, size depends on length of headline or subhead as well as usage.

ITC Cheltenham Light

ITC Cheltenham Book

ITC Cheltenham Bold

ITC Cheltenham Light Italic

ITC Cheltenham Book Italic

ITC Cheltenham Bold Italic
Font Usage | Headlines | Serif Alternate

There does come a time when the recommended font is not available. For example, some people who share Powerpoint documents often do not have the same fonts loaded. In those cases it is acceptable to replace ITC Cheltenham with a system version of Times. Below is a list of alternate serif headline and subhead font options.

Examples are shown in 28pts, however, size depends on length of headline or subhead as well as usage.

Standards of Usage
The Logo | with Logotype and URL

Preferred

When used in conjunction with the website, the Logotype should be moved up (text flush right):

Watershed Agricultural Council
nycwatershed.org
The Abridged Logo

When used in a square or circular space, the Logo may be modified as follows:

4/C Abridged Logo

Grey Abridged Logo

Black Abridged Logo

White Abridged Logo

Only use “Transparent Drop” Version when dropped out of a dark back background
The Two Types | Solid / Transparent

The water drop may have a white or transparent background. Use the white background on busy images or where contrast to the background is needed.

Opaque Water Drop

Transparent Water Drop

Use of abridged logo is permitted in certain circumstances; use sparingly.
The Logo | Programs

When used in conjunction with the website and program, the three lines of type should be spaced as illustrated below:

Watershed Agricultural Council

Usage | Opaque vs. Transparent

Opaque Water Drop vs. Transparent

Usage really depends on application. What works for one does not necessarily work for another.

Opaque Water Drop

The opaque water drop is most commonly used on dark solid colors or saturated photographic backgrounds
Usage | **DO NOT**

**DO NOT** use the water drop alone.

**DO NOT** wrap text around water drop.

**DO NOT** alter the colors.

.5” High is the minimum the Logo should be reproduced
When to Use theParticipant Logo?

- The Council no longer uses this image.
- However, existing on-farm signage provided by WAC to enrolled farm and forest landowners may still be in use.
- Never used in print.
- Consult the Outreach Communications Department prior to using this logo in outreach materials.

Example of actual usage

Standards of Usage
Partner logos may be treated similarly.
When all programs are listed, as in the letterhead scenario above, Univers Ultra Condensed may be used.
