

2019
CATSKILLS Youth Climate Summit

Mon & Tues ♦ **October 7 & 8, 2019** ♦ Frost Valley YMCA

Think **climate change** is an important topic? Want to help your community **take action?**

Meet other **student leaders** for two days of collaboration and connection around the big topic of climate change.

Save the Date!

Who Can Participate?

Open to students in **grades 7-12 & teachers** in the Catskill region

- Keynote Presentations
- Hands-on Workshops & Activities
- Student Presentations
- Food & overnight accommodations provided
- Schools required to provide their own transportation

We invite your school to send a **team of students and faculty advisor** interested in the environment & sustainability to this **FREE** overnight summit.*

* Number of participants may be limited based on funding. If school can fund students and advisors to attend the 2019 Catskills Youth Climate Summit, please contact Cornell Cooperative Extension for further information (*see below*).

Interested students can apply online:

<https://tinyurl.com/y6b379hk>

Contact Cornell Cooperative Extension of Delaware Cty at **607-865-6531** or email **jmd30@cornell.edu** with questions.

Be part of the solution!

Knowledge ♦ Empowerment ♦ Understanding

Cornell Cooperative Extension is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and provides equal program and employment opportunities.
